

Estimate of attendance figures for institutions with planetariums and Science On a Spheres (SOS) affiliated with several regional planetarium associations, and the Science On a Sphere Users Collaborative Network. Attendance numbers are based on figures uploaded to Loch Ness Production's Fulldome Compendium and Classic Theater Compendium. SOS annual attendance are from Denver Museum of Nature & Science 2012 attendance figures for Space Odyssey exhibit, and from Table 2 of Goldman et al. (2010).
